**Stepping Into the  
Energetic Field of Money:  
Quick Start Guide**

## ***Stepping Into the Energetic Field of Money: Quick Start Guide***

**STEP 1:** Put yourself in the mindset that this will work for you and that you are already worthy of abundance. (This is the crucial step that most often gets missed and can be the reason why other programs haven't worked for you in the past).

**Here's a quick example:** Place your hand on your heart and say *"I'm open and ready to receive Money Miracles"*.

**STEP 2:** Listen to the Creative Visualization Meditation with Marci and Mike inside Your Year of Miracles Membership Portal under the Bonus section. **Click here** to log in now.

**STEP 3:** Journal about what comes to you in terms of your vision around money during your meditation, and set a clear intention for what you want to manifest.

**STEP 4:** Begin to notice and write down any wins, both big and small, around money. Small wins build big momentum!

**STEP 5:** Celebrate every step with gratitude because that puts you in the energy to receive even more and honors that you are worthy of it all.
